This policy is applicable to both School and REP

This policy is part of the Lonsdale School's safeguarding systems and procedures.

Volunteer Policy

At Lonsdale we recognise that there can be situations in which volunteers can make an appropriate and significant contribution to the work and services of school. This policy defines the term and sets out the principles, practices and procedures which will be followed in the appointment, management and supervision of volunteers. The contribution of volunteers to the work of school is especially valued and respected. Lonsdale School believes that by providing opportunities for volunteers to work alongside complex needs children, the volunteer will gain a range of skills and work experience. They will develop confidence and motivation to try different things and benefit the community they serve. This policy sets out how Lonsdale intend to support its volunteers.

Our volunteers include:

- School/College/University students on work experience
- University students on placement
- Parents of students
- Ex-students
- Ex-members of staff
- Local residents
- Friends of the school
- Any other interested people

The types of activities that volunteers are engaged in might include:

- Hearing children read
- Working with small groups of children to assist them in their learning
- Working with individual children as an additional tutor
- Undertaking arts and craft activities with children
- Supporting Lonsdale staff to run after school clubs or lunchtime activities
- Working with children on the computer
- Supporting activities in Residence
- Accompanying school visits
- Supporting creative activities e.g. cooking or art projects
- Supporting the work of Green Beans, Lonsdale's Eco Committee

Safeguarding

Lonsdale School is committed to safeguarding students, young people and vulnerable adults and expects its volunteers to share that commitment.

Becoming a volunteer

Anyone wishing to become a volunteer, either for a one off event or on a more regular basis should contact the Assistant Head¹ who has the responsibility for organising volunteer placements in school.

Where appropriate a volunteer application form should be completed². After the initial meeting/interview a Volunteer Agreement³ will need to be completed and signed to formalise the arrangement.

The Assistant Head will put together a placement timetable, inform the school community, add the dates to the whole school calendar and inform the volunteer of their starting date and, if appropriate, end date. At the end of the placement the volunteer will be asked to complete a feedback form⁴.

The requirement for a DBS background screening test or not depends on whether the volunteer will have *regulated activity* with a child (and how often they will be volunteering). Should they volunteer once a week or more, on 4 days within any 30 day period or overnight, they will be expected to agree to an enhanced DBS check. This will be arranged with the School Business Manager Mrs Anne Pestiaux. The volunteer's identity will also be checked in accordance with the school's safeguarding procedures.

If it is a one off event (e.g. Sports Day), formal checks are at school's discretion. Such volunteers will be under the constant supervision by school staff and should adhere to the volunteers risk assessment⁵.

External students on extended (more than 5 working days) placement e.g. student teachers have a comprehensive placement pack issued by their university and will be supervised by their Lonsdale named mentor

Confidentiality

Volunteers may have access to personal information about some individuals, or other information which may be confidential. Lonsdale School needs to be able to trust its volunteers with such information. Volunteers who break this confidentiality will be asked to leave. Any concerns that volunteers have about the children they work with/ come into contact with should be shared with SLT and not with any persons outside school.

Safeguarding

All volunteers have the responsibility to report any concern that they may have regarding Child Protection to the senior designated professional, Mrs Anne Smart, Head of Support and Student Care. It is not the role for the volunteer to investigate concerns.

Lonsdale's Child Protection Policy explains the guidelines and procedures to follow regarding any suspicions. A copy of this policy is shared during the induction procedure.

Supervision

All volunteers work under the supervision of the class teacher to which they are assigned. Volunteers should feel confident to carry out the task they have been assigned and should seek further advice/ guidance from the teacher in the event of a query or problem regarding a child's behaviour or understanding of a task.

Health and Safety

Volunteers should ensure that they are clear about emergency procedures (e.g. fire evacuation) and any safety aspects associated with a particular task (e.g. using cookery equipment). This will be covered during the induction procedure.

If a volunteer attends a school trip, their emergency contact details will be requested. Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the trip/visit leader.

Equal Opportunities

Lonsdale School recognises that the activity of volunteering can provide an individual with experience and opportunities for self and career development. In accordance with School's Equal Opportunity Policy, volunteer placements will therefore be open to individuals irrespective of race, gender, disability, sexuality, age or marital status. Where a prospective volunteer demonstrates hostility to, or a clear lack of support for equal opportunities, she/he will be deemed automatically unsuitable for a volunteer position. All volunteers are required to make a commitment to this policy.

Internet Use Code of Conduct

This code exists to safeguard and promote the proper use of the School's internet and email facilities. Volunteers are responsible for using these facilities in an efficient, effective, ethical and lawful manner. Use of the internet and emails may be monitored at any time for legitimate business reasons. A Lonsdale guest account can be provided for use by the volunteer.

Absence

Volunteers are expected to telephone and inform school, prior to their start time, so appropriate arrangements can be made if any cover is required. Contact details are provided during induction.

Working Hours

The hours of volunteer work will be discussed and mutually agreed between the volunteer and the Assistant Head. The volunteer must be committed and adhere to the voluntary placement and allocated working hours.

This includes:

- Remembering to sign in and out at Reception
- Not smoking anywhere on the school site or during any school organised activities e.g. a school trip
- Not using a mobile phone whilst “at work”.
- Not bringing additional children e.g. siblings or children in the care of a volunteer on a school trip.
- Not taking photographs unless using a school camera/ipad.

Volunteer Code of Conduct

As Lonsdale volunteers', everyone is expected to conform to high standards of behaviour and conduct whilst carrying out their duties whether in school or on a school trip.

Lonsdale School expects that volunteers will:

- Respect other volunteers, students, staff and children and make them feel welcomed and valued.
- Provide physical help where appropriate to help students engage in activities e.g. holding items, passing things, working “hand over hand”.
- To be responsible and look after, in equal measure, all of the students in your group.
- If on a trip, stay with your allocated group of students ensuring that their safety and wellbeing is maintained for the total trip duration
- Be sensitive towards others.
- Be approachable and pleasant.
- Follow guidance from school staff
- Dress and behave in a manner which promotes healthy and safe working practices.
- Maintain the confidentiality of personal information at all times.

All volunteers should be aware how their behaviour can affect both colleagues and children. Everyone has the responsibility to avoid becoming involved in situations that could bring Lonsdale School into disrepute.

Complaints Procedure

Any complaints made about a volunteer will be referred to the Head or appropriate senior member of staff, for investigation. Any complaints made by a volunteer will be dealt with in the same way.

The Head or designated member of staff reserves the right to take the following action:

- To speak with a volunteer about a breach of the Volunteer Agreement and seek reassurance that this will not happen again
- Offer an alternative placement for a volunteer, e.g. helping with another activity or in another class
- Based upon the facts identified in the investigation it may be necessary for school to inform the volunteer that the school no longer wishes them to remain on site
- Provide the volunteer with a copy of the Lonsdale School's Complaints Procedure.
