

General Information

Dear Parents,

We have had a very busy time since our last Primary News. As well as working very hard in class, we have been riding bikes around school, playing with the snow, taking part in our Health and Wellbeing Week and World Book Day. We have all been having lots of fun and learning lots of new things, below are just some of the photos we have taken so far this half term.

Primary Learning: News, Updates and Developments

Learning:

Ash Class: Ash Class had great fun playing in the snow and built a snowman in the playground. They have been playing team games and using their counting skills to help Jack get away from the Giant.

Birch Class: Birch Class have now planted their sunflower seeds with the help from their peers in Oak Class. The children have been learning about where different vegetables grow; under ground or on the ground. The children have been learning what their seed needs to grow and named parts of a growing plant. In Art the children used cereal to make collages. The children also made a sweet treat surprise for Mothers' Day and the container to carry it home in.

Oak Class: Oak Class has been learning about the similarities and differences between real and artificial plants. They have continued to work on their persuasive writing and learn about coins in Maths. In Letters and Sounds the children have been practicing reading and spelling high frequency words. We have been looking at different music and instruments that different religions use, even practicing the violin and recorder! In Topic and Art we have been looking at the use of plastic and the dangers it poses on the environment and animals. We are going to start making our models next Monday, so watch this space!

Stars of the Week

ASH: Leo - For playing with his friends at lunchtime

BIRCH: Cameron - For working hard in lots of areas across the week

OAK: Stacey - For good asking questions with Amiee in Art

A very big WELL DONE!
