Primary Learning: News, Updates and Developments

Learning:

OAK: The children have been writing up their 'persuasive' letters about the environment. They have worked very hard planning and drafting these before typing them out. In Maths, the children have been working on their money problems and exploring fractions. They have had a very artistic week finishing their 3D models inspired by their work on pollution and the environment. They created posters for a Science competition and a 'Senses' themed piece of work for a House Art competition.

In PE, the children enjoyed working on their defence and attacking skills in hockey which concluded with an exciting game, ending in a draw.

BIRCH: The children in Birch have also had an artistic week, making their contributions to the Art competitions. The children were very excited to see how much their sunflowers have grown and as a class they made a big flowering plant and added labels. They have been looking at and weighing and comparing vegetables in preparation for making their yummy vegetable stew. Phonics has also been on a vegetable theme.

ASH: This week Ash Class have been working hard on their Art work, creating 2 pieces for the competition. Our beans are growing well, and we have been sketching pictures of them for our 'Bean Diary'. We also made yummy Easter nests in cooking.
