

Learning for Life!

Headteacher: **Ms Annemari Ottridge** M.Ed. NPQH NPQEL

2nd July 2021

Dear Pupils and Parents,

We are looking forward to our Transition Day on Thursday 8th July to celebrate the end of this school year and look ahead to the new school year in 2021/2022.

Covid-19 has become a part of all our lives, and with the current infection numbers rising again, we have to ensure that we can run this day as safely as possible.

Our teaching and support staff teams have planned an enjoyable day to enable pupils and staff to come together safely in their new class-group constellations.

Pupils and families new to Lonsdale from September 2021 will have the opportunity to meet their class groups and staff virtually via Zoom.

Lonsdale pupils who will move from the South to the North Bubble in September will have the opportunity to meet and come together outdoors and in larger spaces in their new form groups.

Pupils who will be transitioning into their new class groups within their Bubble, or who remain in their current class, will spend the day with the form tutor and support staff they will be working with next school year.

Our leavers group will celebrate the end of the school year together with an exciting food-related project.

There will be no swimming on Transition Day, and we are sure that all pupils and staff at Lonsdale School will have an exhilarating, stimulating and safe day to help them look ahead to the new school year.

Yours sincerely,

Claudia Thiele
Deputy Headteacher
