

27/03/2020

Dear Parents/Carers

I just wanted to touch base with you all and let you know that if your child/young person is not attending school at the moment, that some of the special school nursing team are still available to offer support via phone/email. I plan to have at least one nurse on duty Monday – Friday, during term time to support all of the schools. If you need any non-urgent special school nursing support, please email the relevant school email address below:

[Lonsdalenurses.enh-tr@nhs.net](mailto:Lonsdalenurses.enh-tr@nhs.net)

[Lakesidenurses.enh-tr@nhs.net](mailto:Lakesidenurses.enh-tr@nhs.net)

[Greensidenurses.enh-tr@nhs.net](mailto:Greensidenurses.enh-tr@nhs.net)

[Amwellnurses.enh-tr@nhs.net](mailto:Amwellnurses.enh-tr@nhs.net)

All of the above email addresses will be checked by a member of the special school nursing team on a daily basis during term time, you should expect a response within 2 working days. If you would like to speak to a member of the special school nursing team, please include a contact number in your email. There may not be a nurse on duty or available to contact you who are usually based at your child's school, however it will be a nurse from our special school nursing team. The reason for this is that some of our team and I have been redeployed to work at Lister to support hospital care during the Covid-19 epidemic.

Please continue to contact 111 or your GP for any urgent medical concerns.

All school medical review appointments with our community Paediatricians will go ahead via telephone, until further notice.

I wish you all well at this difficult time, the special school nursing team and I all look forward to seeing your children again soon.

Best Wishes

Lisa Gaudion

Nurse Team Manager – Special Schools
