Dear Parents/Carer

I am writing to invite you to our **Parents Consultation week from Monday 31st October – Friday 4th November 2022**. This is an opportunity for you and your child to talk with your child's form tutor face-to-face or virtually and discuss their academic and social/personal progress and development. Your child's form tutor will gather information about your child's progress in other teachers' lessons. You will have a 10-minute consultation time where you can discuss your child's progress, and be involved in reviewing/setting targets for the year/next academic year.

If you would like a Face-to-Face meeting, we are offering this on Friday 4th November from 2-3pm in the school dining room.

In addition to the progress meeting on Friday 4th November, there will be a transition forum, where you can talk to representatives from local colleges, our School Counsellor and the REP team. This will enable you to gather any information you might need for your child's transition out of Lonsdale. Students with their parents/carers from year 9 upwards will be encouraged to participate in the forum; the forum is available to all should you wish to attend.

Our Transition Advisor will be available on Monday 31st October from 2-3pm. If you would like an appointment with her, please email me with your preferred medium and time and I will support with the arrangements of this consultation.

If you have any specific questions or require information about transition to college, transport or any of the agencies your child has involvement with, such as OT/PT or Speech and Language, your child's form tutor will support you to ensure your enquires are answered.

Please complete the reply slip below and return it to your child's form tutor. Your child's form tutor will then get in touch with you to arrange your consultation.

Thank you for your continued support of Lonsdale. Please do not hesitate to contact me or your child's form tutor if you have any queries or require more information.

Yours faithfully,

Mrs Sinéad North
