Invitation to the Lonsdale Conference: 'Preparing for Adulthood – Life after Lonsdale'
Monday 27th March 2023

You are warmly invited to attend the Lonsdale Conference 'Preparing for Adulthood – Life after Lonsdale', which will take place on Monday 27th March 2023 at Lonsdale School from 10am to 3pm in the Hall.

During the conference, you will hear from keynote speakers about their journeys after leaving Lonsdale School, about their achievements, successes and the barriers they have encountered in adult life. They will give a short talk each, sharing their personal journeys with you. You will then have the opportunity to ask questions.

Lunch will be provided for all conference participants.

After lunch, there will be workshops, which are led by the keynote speakers and Lonsdale staff, where you will work together to further explore what adult life could be like and how you can best prepare for life after Lonsdale.

The conference will finish at 3pm.

Watch out for your conference pack, which you should receive during the next two weeks!

We are looking forward to welcoming you on 27th March to our Lonsdale conference!

Yours sincerely,

Annemari Ottridge
Headteacher
PfA Conference Organiser

Claudia Thiele
Deputy Headteacher
PfA Conference Organiser

Sarah Small
Assistant Headteacher
PfA Conference Organiser
