

School Council Meeting Minutes

Date:	12.05.2023	Time:	14:00 – 14:45
In attendance:	School Council reps from R, M, A, D, F, S, G, V, T and L classes 2 prefects Lonsdale staff: S.Small, Julie (CCW), Kelly (CCW), Chloe (CCW)		
Apologies:	W and E class absent from meeting		
Topic(s):	Gathering feedback to inform future meetings		
Key points	<ul style="list-style-type: none">• Prior to the meeting, each class was given a School Council book. Conversations had around how to use the book effectively to gather the views of their peers so we are hearing as many voices as possible during meetings. Moving forward, books will be looked at in advance and used to inform the agenda for the meeting.• Feedback was provided by a number of classes about the Coronation Day celebration (05.05.2023). Pupils said they enjoyed the day, particularly working with other classes and the ice cream van. Some constructive feedback was offered about the lunch which will be passed on to the catering provider and considered when we have similar events in the future.• Pupils enjoyed the non-school uniform aspect and have asked for more opportunities for these. To be explored in a future meeting. Donate an item of food, rather than paying a pound? Collect and deliver to a local foodbank or homeless charity?• A large part of the meeting was spent discussing lunchtimes – pupils do not feel as though there is enough to engage them. This was particularly felt by secondary pupils.		
Required action and by who:	<ul style="list-style-type: none">• Questionnaire to be resent to classes to gather feedback which can be shared with AGM. Look at wording of questions to ensure they are clear (outstanding action for Miss Small)• School Council reps to discuss lunchtimes with their classes and use their books to record ideas and suggestions. Bring to the next School Council meeting for discussion. – All School Council reps.		
Any other business:	Pupils asked about reinstating the gym. This space is now being used as the Lego room. At present there is no available space but it is something we could look at in the future.		
Date of next meeting:	26.05.2023
