# MY VISION FOR LONSDALE

# LONSDALE'S ABC

We believe in  
understanding one  
another today and  
learning together for  
tomorrow.

**Lonsdale Learning for Life!**

## Ambition

We want everyone to reach beyond what they think they can do, to grow and develop throughout their time at Lonsdale; so that they go on to the next stage in their lives as confident, outward-looking individuals who believe in themselves and what they can achieve.

## Belief

We share a vision that shapes each day – to be a safe, caring and open school for each and every one of our pupils, whatever their needs. We believe in working holistically, collaboratively within and beyond school, embracing diversity, listening to and respecting one another as well as looking after everyone's wellbeing.

## Community

Community gives us our identity. Everyone belongs to the Lonsdale family. We learn from each other, we listen and support one another. Pupils, staff, parents and governors work together. That's how we provide so many exciting opportunities; that's what gives us the confidence to do so much.

Lonsdale is a great school and place to learn and work because it ...
