Whole School News

Parent consultations took place last week, which gave a lovely opportunity to talk with parents about how their child is getting on at school.

Some of our new governors will be visiting during the next few weeks to see the wonderful learning opportunities pupils get. They are also meeting for a Full Governing Board meeting on Wednesday.

New Everybody Read groups start this week with all pupils showing good progress.

Monday 4th March 2024

Information & Dates for your Diary

End of term Thursday 28th March 2024 – Pupils will go home at 1.30pm

Staff Inset Day Monday 15th April 2024

Pupils return on Tuesday 16th April 2024

Bank Holiday Monday 6th May 2024

Half-Term Holiday 27th to 31st May 2024

End of Term Tuesday 23rd July 2024

Please note that all EHCP Annual Reviews will have the option to be conducted remotely via Teams or telephone or can be attended in person. A list of dates for the academic year can be found on the website.

PRIMARY

News

Robin Class have started this half term exploring the seasons, in preparation for Science Week. We started the week with 'Serena's seasons' sensory story, our focus this week being spring. We decorated spring trees with blossom and made a spring sensory bottle. We explored spring weather and dressed our class bear in appropriate clothing. In Maths, we have been continuing our number rhymes and counting, as well as exploring shapes with a shape hunt.

ROBIN CLASS

It was lovely to see Monkey Class back and ready for our new topics this term. They shared their news well, working on building sentences. They listened to the story 'The Emperor's New Clothes', discussing characters and story order. In Maths, they worked hard counting objects into groups and combining them to multiply. They also explored temperature, both in Maths and our topic 'Weather' in Geography. In Science, they have explored different materials, ready for science week experiment.

MONKEY CLASS

The children have started their new Science topic about changing materials and their K & U topic based on weather and the water cycle. In RE, we looked at what makes up a family, what activities they do together and drew our own family. In DT, the children have learning about towers. They will be exploring how to make strong tall structures this half term. In Music, the children enjoyed learning to sign the four seasons in a new song.

ALPACA CLASS

Dragonfly Class have had a lovely first week back and are getting stuck into some new topics. In Science, pupils are learning about parts and structures of plants and enjoyed an exciting lesson with Mr Perrett! In K&U, we are starting to explore the ancient Egyptians, and in Design Technology pupils are planning to build their own cam toys. Our Creative focus is beat and rhythm in music. We have lots of exciting curriculum events over the next few weeks and are looking forward to celebrating World Book Day next Thursday.

DRAGONFLY CLASS

In English, we started to look at what makes a good story ending for our new topic. In Maths, we used jugs to measure out water to see which container held more. In Science we started looking at Materials and their Properties. In History, we looked at our new topic- Ancient Egyptians and put a timeline in order. We enjoyed 'buying' snacks in Life Skills and creating a 50-word story with Wombats and Sea Turtles in TaskMaster.

FALCON CLASS

SECONDARY

News

In English we wrote about Spring, and read a story about a messy magpie. We sorted the rubbish into the different recycling bins. In maths we started our new topic all about data, and learnt about tally charts. In K & U we started a new topic about the Stone Age, and also reminded ourselves of the Easter story in preparation for our trip on Monday. Finally, in science we recapped about the different materials and their properties.

In Science, H class have started their science week project on food waste. In art, they finished creating their Pablo Picasso inspired faces using oil pastels. In Geography we explored the locations of European countries and capitals and worked out how we would get from one country to another. In History the pupils had fun working in groups and creating their own advert for a stone age tool.

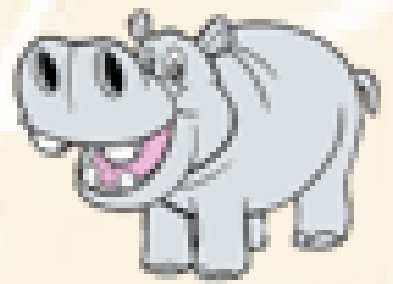

It was lovely to see everyone again after the half term break. In English, we did some work about what everyone did during their week off. In Science, the class started their 'Science Week' topic about the seasons. In Geography, we started our new topic about Whitby in Yorkshire, researching where it is and finding out some information about it. In PSHE, we did some work about our strengths. In Computing, the class started to learn how to use the programme 'Scratch'. In Geography, we compared Whitby to Stevenage, looking at any similarities and differences. In PE, we did some Polybat and Archery.

Gorilla Class had an amazing week! In English, we had an amazing treat... We got to watch Willy Wonka and The Chocolate Factory to help us with our topic work. We really enjoyed it! In Science, we started our new Eco Transport unit, which will be fantastic for our science week presentation! In Open Orchestra, Gorilla class did some fantastic work on instruments. It was wonderful to see the students engaging with music and showing off their new skills.

This week pupils have been exploring how to construct a story using a 'story mountain' to help plan out the development of a plot with a clear beginning, middle and end that includes a dilemma/problem and resolution. In Maths, we explored money challenges using practical examples of budgets to spend, checking change and multiples of coins needed to make specified amounts. Pupils completed a short assessment to establish their level of understanding for materials (changes and properties) and we have begun a new Crime and Punishment topic - lots of gory bits to follow!

News

LONSDALE

This week in TD Class, we have been sharing our half-term news and discovering what we have been up to. In English, we have been learning how to compose and send emails. In History, we have been taking a look into the Mayans and their cultural history. In Geography and Science, we have been studying the history of the Earth and the impact of climate change on the evolution of our planet. In ICT, we have been learning about Scratch and how to create block coding to build gaming and animation programs.

In English, we were analysing a letter about a mother and her drug addicted son. In Science, we looked at how different elements would react to metal. In Computing, we started our new unit in Scratch, learning about the different syntax. In PSHE, we learned about information about employment. In PE, we played extremely competitive Badminton. In Food, we made different types of spicy food.

We began listening to Charlie and the Chocolate Factory in English, thinking about why characters were given their names. In Maths, we had fun estimating how many cubes long different objects were and then measuring them. In Science, we looked at how trees change over different seasons. We also looked at seasons for our Vocational topic. In RE, we began learning about Christian beliefs. We also had great fun cycling this week.

In Maths, we learned about discrete and continuous data. We tried to distinguish between them and find the examples of the two types of data. We also looked at line graphs and had a go at drawing them following the data provided. In Creative, we focused on drawing pictures in Picasso style. In Science, we have done some investigations about keeping cool (insulation) and separating mixtures. We talked about variables in experiments. In PSHE we started a new unit on rights, specifically Rights at Work.

Recently, we were introduced to a school for children with cerebral palsy based in Nairobi, Kenya. The school provides services and education to 125 children and young people much like the pupils here at Lonsdale, only there are 18 staff, no NHS to provide equipment, no food at home and stigma surrounding disability. Collectively, we were humbled by their situation and inspired by the team delivering care and education to these young people. Governors are looking at ways we can offer support to our Kenyan counterparts through signposting, advice, education plans and low-level communication aids. We hope, too, that we will be able to use this collaboration as learning opportunity for our students - and ourselves.

GOVERNORS NEWS

Open Orchestra Update

Tim came in this week to work with Lonsdale pupils in the open Orchestra sessions.

The children worked on their start and stop playing skills in response to a conductor's signal.

They continued to use a variety of instruments, including Clarion, to play along to a backing track representing a river or a stream.

BRILLIANT BITS

To view our best photos from last week, please click the link below, where you will be taken to the website gallery to see a photo album for each week:

Bringing Up Confident ADHD/ASD Children (6 weeks) Online group

Thursday 25 January to 7 March 9.30am - 11.30am via MS Team

If your child has ADHD/ASD, or you think they might, join our online 6-week group where you will receive support from other parents and gain a comprehensive understanding of ADHD/ASD and learn strategies to improve life at home and at school.

Less Shouting, More Cooperation (6 weeks) Online group

Tuesday 30 January 12 March 7pm - 9pm

Do you feel you are constantly nagging or shouting at your child to get what you need? Are you tired of losing your cool and want a calmer house? Join our free online 6-week group to learn how you can change the way you communicate with your child, respond better, and feel more in control.

Sorting Out Family Arguments (6 weeks) Online group

Wednesday 7 Feb – 20 March 9.30am - 11.30am

Do you feel everything ends in an argument and you are constantly trying to keep the peace? Join our free online 6-week group to help improve family communication, reduce the reactions which lead to arguments and create a culture of teamwork in your family.

Getting on with your Pre Teen / Teen (6 weeks) Online group

Tuesday 6 February 19 March 9.30am - 11.30am

Is your teen feeling anxious or isolated? Are you concerned about their mental health and struggling to get help? Join our free online 6-week online group to learn how parents can best emotionally support their teen and feel confident and prepared for whatever challenges might arise.

Dads Together (6 weeks) Online group

Tuesday 6 February 19 March 7pm - 9pm

Are you a dad who feels you are constantly nagging or shouting at your child to get what you need? Are you tired of losing your cool and want a calmer house? Join our free online 6-week group to learn how you can change the way you communicate with your child, respond better, and feel more in control.

Anxiety around ADHD Workshop - Online

Wednesday 17 January 7pm - 9pm

This workshop helps parents/carers understand what ADHD is, why it makes sense for a child to be anxious if they have ADHD, strategies to help support you and your child, plus signposting to other support that is available.

Reducing Conflict Workshops - Online

Thursday 14 March 9.30 - 11.30 AND Wednesday 20 March 7pm - 9pm

This workshop explores different types of conflict between couples and families. Provides support in understanding the causes and impact of parental and family conflict on children and gives practical steps and strategies.

[Forgotten your password?](#)

Then explore your class area and look at 'Ideas Shared by and for Parents'.

Maybe send your feedback?

HOME - STUDENT AREA - IDEAS SHARED BY AND FOR PARENTS

Ideas Shared by and for Parents

This page is full of ideas which have been sent to us by parents. Thank you, all!

Keep your ideas and thoughts coming; we will update this page regularly...

To get in touch, please email your child's form tutor or use the 'Home Learning Questions' tab.

Have you seen these?
