

Headteacher: **Mrs Claudia Thiele** BEd Hons NPQSL, NPQH

Homework Guidance for Pupils, Parents and Carers

Homework is seen as a key part of extended learning at Lonsdale; giving pupils the opportunity to practice and apply their learning in other contexts. Homework set is appropriate to each pupil and will be practical application, where possible.

Homework is set weekly; each pupil is set 3 tasks a week. If your young person is studying qualifications, they may receive more than 3 tasks.

Under DFE guidance, Early Years pupils are not permitted to complete weekly homework tasks, but may be given homework to further develop learning and skills.

Homework tasks will be either shared as paper copies or uploaded onto our home-learning platform in the Student Area of our website. Each class has their own tab with a Homework Area tab within the class area.

Completed homework tasks can be returned to the teacher via email, brought into school on the due date (or as specified within the set homework task) or uploaded to Tapestry.

If you have any queries regarding your child/young person's homework, please contact their class teacher/form tutor.
