Dear Parents and Carers,

RE: AJM Wheelchair Satellite Clinic – Wednesday 7th October 2026

AJM Healthcare are planning a return visit to Lonsdale for a clinic on **Wednesday 7th October 2026**.

The team can only look at wheelchairs supplied by AJM Healthcare. If your child lives outside of Hertfordshire (out of county) but is registered with a Hertfordshire GP surgery and has a chair from AJM Healthcare, they can be seen. Unfortunately, if they are registered with a GP outside of Hertfordshire then AJM Healthcare will not be able to look at their chair and/or make amendments/repairs.

We will support AJM to look at as many chairs as possible on the 7th October. We will prioritise pupils that were not seen last during the last clinic, but we cannot guarantee that your child will be seen.

Please can you email the reason for your request to be seen by **Tuesday 22nd September 2026 to zrobinson@lonsdale.herts.sch.uk**. Any requests received after this date cannot be accepted.

Parents and carers are welcome to attend the clinic and meet with the AJM Healthcare Team if they wish to. Please state your request to attend in your email to me so that a time slot can be allocated.

We will continue to work in collaboration with external partners to ensure the pupils and families at Lonsdale are well supported. If you have any ideas about future partnerships with external organisations that you feel would benefit the wellbeing of our community, please feel free to send these in and they will be considered.

Kind regards,

Miss Sarah Small
