Dear Parents and Carers

### **Severe Weather and Emergency School Closure**

As winter is just beginning, I thought I would remind you of our communication system should we need to close the school due to severe weather, or indeed any other unpredictable emergency.

The system is as follows:

- The following local radio stations will read out any message from the school about closure:

**Heart 96.9 (Home Counties)**

**Heart 97.6 (Beds, Bucks and Herts)**

**Heart 101.7 (Essex)**

**BBC Three Counties Radio 103.8 (Herts)**

- A message will appear on Herts direct web site [www.hertsdirect.org.uk](http://www.hertsdirect.org.uk)
- A message will appear on the school web site [www.lonsdale.herts.sch.uk](http://www.lonsdale.herts.sch.uk)

The school will be open if there are no messages on any of the above.

Many of you live a long distance from the school. Your local weather may be different from Stevenage. Your transport provider may make a decision not to travel if the roads are unsafe. Please keep in contact with them.

Thank you for your continued support.

Yours sincerely
