

# "GREEN SUPERHEROES 2014"

Join this year's GREEN-BEANS competition!

This year the Green Beans have decided to call their competition "Green Superheroes 2014".

We ask all classes to enter a short film or movie. You don't have to have known superheroes in your film; you could be the stars in it yourselves; or maybe you want to create an animation. The main thing is that you remind people to do their bit to look after our planet.

Your film/clip should not exceed **3 minutes** and be in a format, which can be played with common software such as Media Player, Quick Time Player or similar. Your film should be a joint entry for your class.

Individuals can also enter a "Green Superhero" photo, drawing or painting. They should not be larger than A3. Open to everyone (pupils, staff, governors etc.).

There will be different categories and prizes for the winners in each category.

All entries must be received by Friday 2<sup>nd</sup> May 2014.

You can either save your entry digitally to RM Shared - Lonsdale-Resources - Green Superheroes 2014 or hand in your entry via Mrs. Thiele's pigeon hole.

Don't forget to put your name on your entry!

We are looking forward to your great ideas!
