

LONSDALE

AMO/CE

15 May 2015

Dear All

You will be aware that there has been a recent OFSTED monitoring inspection. There were a number of positive comments but it has highlighted a need for additional monitoring in some areas of the school to ensure that our teaching and learning is consistent. We are lucky to have the support of Margaret Goodchild as our School Improvement Partner. Margaret knows us well and will work with us to make the necessary improvements.

I would like to take this opportunity to thank all pupils, staff and the Governing Body once again for their hard work and commitment for school improvement.

We will keep you fully informed and we thank you for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Annemari Ottridge', with a long horizontal stroke extending to the right.
