

LONSDALE

Achieving excellence in meeting the needs of every individual

Dear parents/carers

The time has come again for our annual Macmillan coffee morning. On the 26th September from 10.00 - 11.30am , bring family and friends to help raise money for Macmillan.

There will be loads of things to do, not just coffee and cake. There are games like guess the weight of the cake and if you get it right you get the cake! Also guess how many sweets are in a coffee jar.

We would be awfully grateful if you could donate cakes for the coffee morning as it's such a great cause! We really hope you can come and support this national event and support people living with Cancer.

The 26th will also be a non uniform day, so bring a £1 and wear something green for MacMillan.

Yours sincerely,

Mimi Bray and Jordan Williams
