

## **Homework Guidance for Pupils, Parents and Carers**

Homework is seen as a key part of extended learning at Lonsdale; giving pupils the opportunity to practice and apply their learning in other contexts. Homework set is appropriate to each pupil and will be practical application, where possible.

Homework is set weekly; each pupil is set 3 tasks a week. If your young person is studying qualifications, they may receive more than 3 tasks. Under DFE guidance, Early Years pupils are not permitted to complete weekly homework tasks, but may be given homework to further develop learning and skills.

Homework tasks will be uploaded onto our home-learning platform in the Student Area of our website every Monday. Each class has their own tab with a Homework Area tab within the class area. Completed homework tasks can be returned to the teacher via email or brought into school on the following Monday (or as specified within the set homework task).

If you have any queries regarding your child/young person's homework, please contact their class teacher/form tutor.
